VIDEO

G1==DHL logo intro; then lines wrap around 3d globe, moves into ocean and then transition to V1

V1==Ext. Port - CU of cargo on ship while moving (static)

V2==Ext. Port - WS of ship arriving at port

V3==Ext. Port - Cargo being uploaded

V4==Ext. - DHL truck departing

G2==DHL logo animation and "Ocean Freight Services"

G3==DHL logo continues with vast feel; ship, plane, truck, warehouse, and customer graphic reveals to demonstrate supply chain and "Complete Supply Chain Solution"; then video clip of cargo being unloaded and "Leading Provider" and "FCL" and "LCL"

AUDIO

NRTR:

(G1) Across the globe...on the vast oceans of earth...cargo is moving...**(V1)** each second of the day huge ships filled with thousands of containers navigate the seas...**(V2)** filled with every imaginable commodity that will arrive at businesses and homes in countries throughout the world. **(V3)** And when it comes to delivering goods from port to port **(V4)** and door to door, there truly is only 1 choice in the world for on time and on budget delivery...**(G2)** DHL Global Forwarding Ocean Freight Services...

NRTR:

(G3) At DHL Global Forwarding, our ocean freight services are as vast as the waters we travel on...offering complete supply chain solutions for your business. We are the leading ocean freight provider for both Full Container Load and Less than Container Load shipments in the world.

G4 (over V5-V7) == "FCL" and "2.4m TEUs" and "Quality" and "Space" and "Optimal Pricing"

V5 == Ext Port - FCL Cargo moving

V6 == Ext Port - Cargo moving

V7 == Ext Port - Cargo moving

G5 == "LCL" and cargo moving video; then map reveals with DHL points going everywhere in the world quickly; then moves onto Ocean and reveals 3d ship with DHL containers filled on it and "97% In House"

G5 (cont' d) == Map pulls back again to reveal China and US and "LCL Expedited Service" and points from Shanghai and Hong Kong go all over US and "Day Definite"

NRTR: (G4) (V5) That's right; DHL Global Forwarding handles a ton of FCLs...2.4 million TEUs each and every year globally. **(V6)** Our professional and experienced freight negotiators leverage DHL's global volume to ensure quality, **(V7)** space allotment and optimal pricing for our customers.

NRTR: (G5) (V8) DHL Global Forwarding Ocean Freight also recognizes the importance of LCL, which is why we have invested millions into our LCL systems over the past few years. DHL has a defined global matrix with over 35,000 point pairs, serving all major markets with direct consolidations from our strong network of National Gateways. And, DHL Global Forwarding Ocean Freight carries over 97% of our LCL volumes in house through Danmar Lines, DHL's own Non vessel operating common carrier, or NVOCC...

NRTR: (G5cont' d) DHL Global Forwarding Ocean Freight even offers LCL Expedited Service, which offers day definite delivery to any address in the US from Hong Kong or Shanghai for a fraction of the cost of airfreight...

V8==Ext. Port - Cargo moving; alpha transition to G6

G6==Control tower control panels illuminate with various freight information coming up on the screens and moving; then "24 Hours a Day" and "365 Days a Year" appears on one of the screens; alpha to V9

V9==Ext. Port - Cargo moving

NRTR: **(V8)** DHL ocean logistics professionals can provide a complete freight solution for your supply chain. **(G6)** From a network of over 60 control towers across the globe, DHL designs, implements and manages supply chain services for our customers 24 hours a day and 365 days a year...**(V9)** offering complete transparency and complete control of your shipments...

G6b==POSSIBLE GRAPHICS OVERLAY (?)

V10==Int. DHL LA - Freight team working hard (dolly)

V11==Ext. Port - Cargo moving on ship

V12==Ext. Port - cargo moving

V13==Ext. Port - Cargo moving

V14==Int. DHL LA warehouse - various freight moving (dolly/jib)

V15==Ext. DHL Plane - Freight being loaded

V15b==Int. DHL Plane - Cargo being loaded (slight pan)

G7==Marine insurance document highlighted; then logo animated onto sample bill of lading

V16==Ext. Port - Freight being loaded on ship

G8==Tour of DHL's Ocean tracking system and INTTRA portal; then "Fast Document Processing" and "Increased Shipment Visibility"

NRTR: **(V10)** Our team is comprised of over 2,600 logistics experts ready to assist your every freight need from one of over 330 worldwide competency centers. **(V11)** As both a provider of ocean logistics services and a NVOCC, **(V12)** our team can manage your shipments completely from end-to-end. **(V13)** Once your freight has reached the port, DHL can provide customized inland logistics as well, **(V14)** including warehouse and distribution centers and customs brokerage services. **(V15)** Plus, with DHL Global Forwarding's extensive global network, we can also provide air and ground transportation **(V15b)** of goods to their final destination...anywhere in the world. **(G7)** DHL can even handle door-to-door all-risk marine insurance. And, to make your business supply chain even more transparent, DHL Global Forwarding Ocean Freight does it all on one easy to read bill of lading...

NRTR: **(V16)** With DHL Global Forwarding Ocean Freight at the helm, you can be sure your shipments are on schedule. **(G8)** DHL's online tracking and tracing system provides a complete look at your supply chain at all times. And, with the INTTRA portal, which links DHL to all carriers, we can provide faster document processing and increased shipment visibility.

G9==Closing Call to Action; Port clips and ship clips come together with "Delivering the World Every Day" and "Integrated Global Solutions" and "First Class Service"; then

DHL logo animation and "Ocean Freight Services"

--END--

NRTR: **(G9)** Complete transparent supply chain services from the logistics company who is delivering the world every day of the week...integrated global solutions and first class customer services that are truly *beyond port to port*...

...DHL Global Forwarding Ocean Freight Services.

--END--
